CHOICECENTER LEADERSHIP UNIVERSITY PRESENTS

# BUSINESS+TRAINER

## leadership mastery

The same skills a great transformational trainer needs to perform in front of the room are the same required of successful business leaders to drive results in front of the office.

Dr. Jorge Haddock

That's why **ChoiceCenter Leadership University** has created a first-of-its-kind **Leadership Mastery** course that dedicates 6 months to developing a person's mastery-level skills before breaking participants into two groups –

one that receives follow-up coaching on executing business plans and goals, the other that mentors future professional facilitators, coaches and trainers.

Taught by **Master Trainer Jorge Haddock** who also serves as **Dean of the University of Massachusetts Business School**, who better to train the skills necessary to succeed in both domains of life?

If you're an **entrepreneur, C-Level executive, sales director, or rising business star**, or dream of being a **facilitator creating your own workshops, or want to be developed as a trainer for ChoiceCenter in Discovery, Breakthrough or Leadership, or want to be a certified professional coach**, or simply long to have trainer-level communication skills, then commit to developing mastery of:

- Responsibility
- Enrollment
- Relationships
- Communication
- Coaching
- Presentation Skills

The first 6 months encompass 4 weekends:
